PROFILE

As a skilled creative professional, I have extensive experience designing institutional magazines and advertising materials for various clients.
I recently worked on redesigning a magazine layout for the Egyptian Academy in Rome to enhance its aesthetic appeal and captivate the audience.

I am very passionate about UX/UI design. With an academic background in industrial design from La Sapienza University, I'm equipped to create exceptional design solutions. I'm always eager to take on new challenges and opportunities to develop my skills further and achieve success.
