EXPERIENCE

2023 | Present **Freelance Graphic Designer**

Self-employed, Rome

- Working with clients on visual identity and digital projects
- Designing layouts, brand materials
- Managing projects independently from brief to final delivery

03-2018 | 12-2025 **Graphic Designer**

Accademia di Belle Arti d'Egitto a Roma

- Led the creative team, ensuring visual consistency across all institutional materials
- Redesigned and produced a bilingual cultural magazine: new typography, fresher layout, logo system, and collateral
- Created motion graphics and visual assets for video campaigns

05-2017 | 11-2017 **Graphic Designer**

Walk In S.R.L. - Rome, Italy

- Built advertising campaigns and brand materials for national clients, including FRIMM Group
- Contributed to communication projects for a Roman contemporary art gallery
- Designed digital banners for national media

02-2015 | 05-2015 **Internship - Graphic Designer**

Umana Creative Studio - Rome, Italy

- Supported the team in building corporate identity systems and logo design
- Helped produce advertising materials from brief to final delivery

CERTIFICATIONS

07-2026 **E-commerce & Generative AI**

Forma.Temp | Attal Group

- E-commerce design and setup on Shopify, Webflow, and Squarespace
- Applied use of generative AI tools in design workflows

10-2023 **Google UX Design Specialization**

Google | Coursera

- Full UX process: user research, problem framing, ideation and concept development
- Wireframing and low/high-fidelity prototyping in Figma
- Usability testing, feedback collection and design iteration
